Dear Pastor Washington:

I regret that my schedule in Washington does not allow me to join you for your "Homes for Our Heroes" Homeless Veterans Permanent Housing Project kick off event.

Our veterans should never find themselves homeless and on the streets. Our returning heroes deserve a permanent residence that will focus on creating safe and energy efficient housing with supportive services.

I commend you for playing a role in making sure our veterans have decent and affordable housing.

I join with the community in acknowledging the important work that you are doing for our veterans.

Sincerely,

Melvin L. Watt
